: PeopleSoft Financials 9.2 Upgrade Training Preview Videos

ITS is providing Training Preview Videos for the upcoming PeopleSoft Financials 9.2 Upgrade. The purpose of these videos is to help users gain an understanding of the basic module changes within PeopleSoft 9.2 and the affect these changes will have on the institutions.

Anyone participating in training should view the appropriate video(s) prior to their scheduled training.

Note: The videos can only be accessed using the direct links provided.
